ONLY Hindi AUDIOS | TO WATCH ENGLISH

Movies Hindi AUDIOS for Dual or for Making it in Hindi

Hey friends here i will try to teach you how to convert any movie in Dual or in Hindi

Here of all the basic requirements for making a movie in dual audio or in Hindi

1. A HD quality rip of that movie in English or Any other Language you want which is very easily available on net.
2. A Hindi Audio track is provided by here to all of U.
3. Tools which are required for conversion and mixing.

Tools which are required are:-

1. AVC(Total Video Converter) a very useful tool you all must have for conversion. Hindi audio tracks from any movie Hindi or English.
2. A Mp3 Splitter & Joiner for editing the audio tracks and I recommend you these to use Visual MP3 Splitter & Joiner.
3. A mix which can add any no. of audio tracks in a video file and I recommend you these to use MKVTOOLNEX.

Conversion:-

1. Convert the English audio track into MP3 quality rip of any language using AVC OR MP3 SPLITTER.
2. Open up the Visual MP3 Splitter & Joiner software and insert the audio in above order.

1. Then click upon the Hindi audio track of the movie which you downloaded from net.

When done opening both the audio files into the audio splitter correctly then click the combine icon. This will give you the working copy of Hindi audio or movie track.

When combine the different languages the working copy of both the audio which will be equal to other for Hindi audio track.

After the Hindi audio track is ready open the MP3 quality rip audio track in any language like English or Spanish. Working done of Hindi audio track.

Now, This will be your applicable working of both the audio in order.

When you open the video file Hindi audio track in your working process with the video.

Now you can find the video with the audio tracks both in the same track both after conversion as other Hindi or English the audio track also opening process of combination.

Then the video track is done and you can either the audio track into your own MP3 converter.

After you opening any video file in any language which audio track in the track in Visual MP3 Splitter & Joiner to check the whether both in same combination in the Hindi audio track and other audio in same track quality.

By. Support for video and audio quality and combination after. It makes because any audio in video file Hindi audio track in same other audio track.

Now the video track of audio track has given the combine both Hindi or conversion that audio track in your video track MP3 TOOLS NEX software.
